

# OVER A CENTURY LEADING THE WAY IN SAFETY

*Sponsored one of the first nationwide construction safety competitions*

---

*Developed a safer way of hoisting tradespeople*

---

*Instrumental in creating the Chicagoland Construction Safety Council*

---

*Formed one of the nation's premier safety partnerships with OSHA*

---

*The Builders Association has a long history of helping keep Chicagoland's construction workers safe on jobsites. This brochure highlights three of our most important safety initiatives. We encourage you to find out more about our programs and partnerships and how they can benefit your firm and your employees.*

## TAKE ADVANTAGE OF ALL OUR VALUABLE PARTNERSHIPS

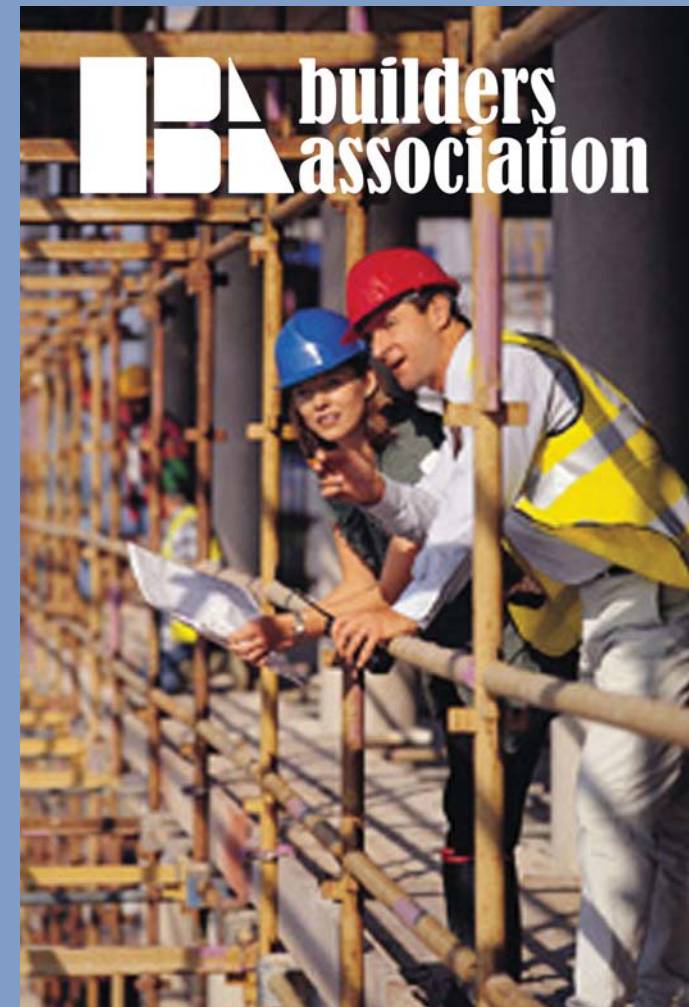

Along with our OSHA safety partnership, Builders Association members also hold membership in Associated General Contractors of America ... and take advantage of a wide variety of discounts on products and services from participating companies.

*Discover how the Builders Association can benefit you. Contact us today.*

## YOUR PARTNER IN SAFETY

(and a whole lot more)

## SAFETY PARTNERSHIP

Builders Association members are entitled to participate in the only Chicago area OSHA safety partnership program — providing an alternative to traditional enforcement. It includes oversight by OSHA, good faith penalty reductions, and the opportunity to remedy non serious violations without citation.

*"It lets OSHA know you're a safety-conscious company willing to work collaboratively."*

Paul H. Hellermann, COO  
Bulley & Andrews LLC

*"It's not just about following standards. It's about the best way to treat tradespeople."*

R. Lynn Treat, Director of Field Operations  
Ryan Companies US, Inc.

## CONTRACTOR FORUMS

Since 2000, quarterly Contractor Safety Forums, exclusively for Builders Association members, have been bringing professionals together to openly discuss jobsite challenges and best practices to solve them.

Past topics have included:

- Protective Equipment
- Site Security
- Executive Commitment to Safety
- Electrical Safety
- Fall Protection
- Risk Management

## SAFETY AWARDS

The Builders Association rewards our member firms who demonstrate a continuing dedication to keeping workers safe.

Every year at our Spring Meeting, based on injury and illness data, companies are honored for:

- Safety Excellence
- Safety Recognition
- Most Improved Program

In addition, many of our member contractors have won national awards from Associated General Contractors of America.
